

Designed for 15 mm nuts and bolts, this full-size open head torque wrench provides a perfectly calibrated amount of torque to prevent damage from over-tightening or looseness from under-tightening. This torque wrench features the following:

- Provides a snug fit when used on 15 mm nuts and bolt heads
- Ergonomically designed with an angled head and cushion grip for maximum leverage and comfort
- Audible click lets you know when the connector is fully torqued to 40 in-lb (4.5 N-m)
- Made of High Carbon Steel with a Black Oxide finish for maximum durability
- Lifetime Warranty
